

# WELCOME Spring

March 2020 Newsletter

## Spring Time is Here!

Spring time has finally arrived which means warmer weather and more sunshine to begin off our Spring semester. But don't forget, the weather is still a little on the colder side, so please do dress your child appropriately according to each day's weather forecast. Keep in mind because of the cooler weather, it is easier to catch a cold; remember the importance of washing hands constantly and dressing properly. *If your child is sick, please keep him/her at home until he/she regains their full potential before returning to school!*

Smart Start wants to extend a **huge thank you** to everyone for working together to combat coronavirus. The school is still taking all the necessary precautions and disinfecting the campus and school bus daily. Please keep away from public closed areas as much as possible. If it is necessary to go to those places, please wash your hands, clothes and shower as soon as you return home. The rules and regulations that Smart Start have set are based on the Central Epidemic Command Center (CECC) and can therefore be changed at any given time.

我們感謝所有家長對於校園防疫的大力支持與配合！維護校園健康環境是我們首要的任務。每天定時的消毒作業，我們也將持續進行。再次提醒您，若非必要請勿進入公共場所。保持良好的衛生習慣，請勤洗手、生病請勿來上學並立即就醫。在這季節交替的時期，早晚也別忘記加件外套注意溫差的變化喔！

\*校園防疫規定依照衛生福利部疾病管制署，並隨時有變動的可能。

## We Love Gardening!

“Children who are exposed to dirt in the formative years develop healthier, stronger immune systems when compared to children whose parents keep them squeaky clean, and they have a lower incidence of asthma, eczema and allergies later in life. Exposure to dirt in childhood promotes good health.” - International Floriculture

This is one of the reason we love gardening at Smart Start! All students have been growing and monitoring their tomatoes and cucumbers in our backyard since after CNY. As of now, we are patiently waiting for the primal time to harvest and eat them! Stay connected via social media for photo updates!

Let us also take this opportunity to remember the importance of eating quality nutritious food and ask ourselves these questions we ask our kids at Smart Start- Where do our vegetables come from? What is needed to harvest this plate of food I'm eating now? How can I show gratitude today?

孩子們細心耕種的小番茄與小黃瓜已經從小盆子移栽至學校的花園囉！藉此機會我們讓孩子們學習培養耐心的重要並認識食物的原形與學會珍惜食物！

即日起，於園藝課當天，請讓小朋友穿上不怕髒的衣服，並讓孩子穿上或帶上雨靴及可以挖土的小工具。

孩子們園藝課時間如下：

幼幼班－禮拜一

小班－禮拜一

中藍班－禮拜三

中黃班－禮拜三

大班－禮拜四

Once a week, each class will have the opportunity to go to our garden in the backyard to see how the vegetables are growing. So please dress them in clothes that can get dirty, boots and all is welcome to bring any gardening tools (with their name) your child might want to use on their designated day of gardening.
