## UNLOCK YOUR CREATIVITY!

This summer, let's get inspired and unlock our inner creativity!  
In these 8 weeks, we'll go on a curious journey filled with action-packed, indoor-outdoor adventures where we explore **8 topics** through different creative lenses. Beyond making our own hands-on projects, we'll be building teams of creative collaborators, and learning through **drama, music, dance, swimming, field trips..** as well as incredibly innovative science experiments!

Through problem-solving, critical thinking and decision-making, our little campers will walk away with the confidence to take new risks, and the ability to find new ways of looking at things.
