畢業照拍攝日
- 3/17**
- 3/24** School Bus Drill
校車演習
- 4/4 -** Tomb Sweeping Holiday (no school)
清明節連續假期
- 4/5**

Let Us Welcome Spring!

Excitement arises as we begin the month of March! After a wave of serious wet weather, we now leap into Spring 🌸 with much hope for exploration. With the daylight hours getting longer, we hope to see more plants back alive in our garden! Since some days still appear to be on the chillier side, do dress your child according to each day's weather forecast; This is also an excellent opportunity to engage in a conversation, and bond with your child in the morning before heading to school.

During the month, more lessons will be held outdoor to take advantage of the beautiful sunshine. Students will learn about what mother nature offers in Springtime, and carry out sensory walks and science experiments with their teachers and friends. Additionally, students also get to enjoy the new bathrooms and updated library area, which had gone through a mini-renovation for last month.

Parent-Teacher Conferences is here!

Finally...we can meet face to face!
(with masks on of course! 🧐)
We will be holding the one-on-one meeting in the outdoor area. See you there!

Date: March 7th - March 11th

Time: 9:00 AM - 11:20 AM | 20 min per meeting |

Please refer to your assigned time.

Who: Smart Start Parents & teachers

Where: Campus | Outdoor Area

Picture Day ***is finally here!***

Kindergarten:

March 16th

**Preschool, Nursery Blue,
Nursery Yellow & Headstart:**

March 17th

Please dress your child in formal wear on this day,
and arrive before 8:45 AM!

GARDENING UPDATE

All students have been growing and monitoring their tomatoes and spinach in our backyard since we came back from CNY break. As of now, we are patiently waiting for the primal time to harvest and eat them! Stay connected via social media for photo updates!

Let us also take this opportunity to remember the importance of eating quality nutritious food and ask ourselves these questions:

Where do our vegetables come from?

What is needed to harvest this plate of food

I'm eating now?

How can I show gratitude today?

Each class will have the opportunity to garden in the backyard and observe the growth of our vegetables once a week. Please dress them accordingly on their gardening day. Boots and any gardening tools (with their name) are welcome.

Monday - Kindergarten

Tuesday - Preschool

Wednesday - Nursery Blue

Thursday - Nursery Yellow

Friday - Headstart
